

Press Release

TIME-BANDWIDTH PRODUCTS, INC.

Zurich, October 2006

Time-Bandwidth Products AG, the leading supplier of OEM and customized ultrafast diode pumped solid state lasers enabled by its patented *SESAM*[®] technology, has opened a US office for sales and customer support of the Northern American market effective October 1st 2006.

Time-Bandwidth Product, Inc. is based in Westfield, MA. Our VP Sales and Marketing, Mr. Alain Bourdon will work closely with the Swiss-based headquarters to meet the needs and requirements of the North American market. Alain brings more than 20 years of expertise in the laser field and has worked together with Time-Bandwidth as its Northern American distributor during the last 5 years. We look forward to a smooth transition with our industrial and scientific customers there.
